

About the Conductor

Professor of Violin and Viola at Riverside City College and Founder and Director of the Young Performers of Irvine, Mischa Lakirovich started playing the violin when he was four years old and played his first recital at the age of five. He began his studies with his father, Mark Lakirovich, in his hometown of Brisbane Australia and continued his education in Sydney at the Preparatory Division at Sydney Conservatorium of Music. Mr. Lakirovich went on to earn his Bachelor's and Master's Degrees at the Juilliard School, a student of Ms. Dorothy DeLay and a recipient of a full scholarship in her name. A child prodigy, Mischa performed throughout Europe as a young boy, completing two world tours and a special private concert for Pope John Paul II all by the age of eight.

A frequent performer in America and Europe, Mr. Lakirovich has appeared as a soloist and conductor with orchestras such as SBS Symphony, Southfield Symphony, Ann Arbor Summer Symphony, Mozart Classical, OCYSO, Grosse Point Symphony, Torrence Symphony, the Young Artists Orchestra in Aspen, Colorado, and often performed as Concertmaster of The New England Symphonic Ensemble at Carnegie Hall.

Mischa Lakirovich has made a number of recordings and live performances for Radio and Television broadcasts including the National Australian Broadcasting Corporation (ABC), KUCI and K-Mozart FM in Los Angeles, as well and on television channels Seven, Nine and Ten and studio recordings for Soul Surfer Classical, Atlantic Records and Paramount Studios. Mr. Lakirovich is former faculty of violin, viola, chamber music and conductor of Junior Strings at the Lucy Moses School of the Arts, Brooklyn College, French-American Conservatory of Music and was also teaching assistant to Dorothy DeLay for the Technique Class at Juilliard Pre-College. Mr. Lakirovich co-founded the Irvine Young Artists in 2005 and had conducted the orchestra for numerous concerts and recordings including a live national appearance on Fox television in 2007. Mr. Lakirovich hopes that through music, the world will embrace peace and harmony... bridging all peoples and cultures closer together.
