

## **Abbreviated Application for Admission for Summer Dalcroze Certificate and License Candidates**

The Longy School of Music awards the Dalcroze Certificate and License by examination after intensive study of Eurhythmics, solfège, improvisation, and Dalcroze teaching methods. The Certificate qualifies candidates to teach children and adult beginners. The License entitles the holder to teach adults at all levels. Successful applicants have strong general musical skills, good basic training in voice or piano, and strong motivation as teachers.

At the discretion of the Department Chair, students who have completed their principal training in other countries or at other institutions may earn the Dalcroze Certificate after thorough documentation of previous studies, enrollment in at least three Longy Summer Dalcroze Institutes (taken for credit), and successful completion of the portfolio and all required examinations. A detailed description of the requirements for the Dalcroze Certificate and all levels of certification is available upon request. Any change in the residency requirement must be approved by the Department Chair and Dean.

The License is awarded to Certificate-holders with Dalcroze teaching experience upon completion of an appropriate teaching methods curriculum, proof of professional attainment, and successful completion of the License portfolio and examinations. The Dalcroze License may be pursued through summer study alone at the discretion of the Department Chair. Summer License candidates must enroll in at least one Dalcroze Summer Institute for credit. Additional summers, taken for credit, may be required.

Dalcroze training is highly personal, and the timeframe for completion of the requirements may vary widely among students. Students who wish to pursue the Dalcroze Certificate or License through summer study alone must complete the Abbreviated Application for Admission for Summer Dalcroze Certificate and License Candidates and be admitted to Certificate- or License-seeking status by the Department Chair.

The Longy School of Music will consider the Abbreviated Application complete when it is in possession of the following:
