Make a difference at Longy

HELP US TO SHARE THE GIFT OF MUSIC

Many talented students at Longy would not be able to pursue their musical studies without financial assistance. For more information on giving opportunities at Longy, including named scholarships, please contact Alexander See at Institutional Advancement at 617.876.0956 x624 or visit www.longy.edu/giving.

Please visit our website at www.longy.edu for up-to-date concert listings or email enews@longy.edu to subscribe to our monthly e-newsletter.

Please note that not all activities and concerts have been scheduled as of the date of printing. All registered students will receive a copy of the Preparatory Student Handbook in September, which will list all student recital assembly dates, evening concerts, lunchtime concerts and Music Evenings, as well as special class recitals and performances (Suzuki, Dalcroze celebration, etc.).
